Sorry gang, the book is spoken for. However, the bookstore where I got it does have one other book I know some people are interested in. It's "Modern Radio Servicing" by Ghirardi, 1935. Not nearly as ham-related as the other one -- strictly BC receiver theory and servicing -- but if you've been looking for this book I'd be happy to go down and pick it up for you. They're probably asking around \$15. Let me know.

happy holidays too all!  
i have the following to move along.  
6 Hammarlund speakers, 10" jensen, sp200/400/129X, color determines  
match. all 6 for \$280 shipped  
1 SP600JX14 Custom, done for looks at Hammarlund, less than 50 units  
done this way . front bottom right corner has slight bend (courtesy of  
UPS) can be corrected, but i don't have time. \$650.00 + shipping  
unit plays and looks \*great\* otherwise. has top & bottom covers.  
have much, much more to move out, manuals, tube sockets, relays, you  
name it. thats all for now. thank you.

Hammarlund-Roberts or Roberts-Hammarlund ads in them, picturing they're  
radio equipment, not so much for parts.
